### DEMOCRATS FORM NEFF CLUB; PLAN ACTIVE CAMPAIGN

WACO CANDIDATE GETS FORMIDABLE SUPPORT FOLLOWING PRIMARY.—THOMASON AND LOONEY MEN LINE UP

Minutes of meeting of Milam county Democrats held in District Court room Friday night, July 30, for the purpose of organizing a "Neff for Governor Club."

Nearly one hundred Democrats of Milam County responding to a call made for a meeting to be held for discussing the campaign for Governor in Texas, met in the district court room of the court house in Cameron Friday night, July 30, formed a campaign organization to promote the candidacy of Hon. Pat. M. Neff of Waco for the Democratic nomination for Governor and organized the "Milam County Neff Club."

The meeting was called to order by Hon. O. L. Kidd who opened an address to the Democrats assembled, outlining the features of the campaign now being waged for Governor in Texas. The fight, he declared, was for a real democracy against Baileyism.

W. H. Triggs was elected temporary chairman, and R. P. Jeter was elected temporary Secretary.

Judd G. Davis was elected county chairman for the campaign. The nomination of O. L. Kidd for County Chairman following the speech of nomination by Giles L. Averitt in the interest of Mr. Davis. Mrs. Jeff T. Kemp was elected Vice-Chairman. J. B. White was elected Secretary and Treasurer.

On motion carried the three officers named were instructed to name an executive committee of as many members as deemed necessary to push the campaign.

It was decided upon motion to name the organization the "Milam County Neff Club."

T. S. Henderson delivered an address to the Democrats in which he pointed out practical campaign methods, setting out the nature of the fight now before the Democrats of Texas. The campaign, he said, would be a battle between the forces of Democrats and Baileyism.

Judge W. G. Gillis delivered an address in which he praised the action of Thomason and Looney Democrats in coming to the Neff Standard against Bailey. The first primary preferences, he said, could be forgotten in the face of the big issue now pending.

Dr. R. Criswell of Buckholts spoke to the Democrats assembled, pledging his support to the Club and in the coming campaign.

### MINERVA CEMETERY ASSOCIATION FORMED

On Thursday, the 29th of July, the people of Minerva met at the cemetery and organized a Cemetery Association, electing Mr. Ralph Hubert President and Mr. Sam Springer Vice-President.

All the men carried hoes, rakes, and axes, and employed themselves during the morning hours clearing off and burning the accumulated debris.

The merchants closed up, joined in and worked with a will.

In the meantime Mr. Gibb Terry and an assistant were barbecuing a large fat beef, while the ladies, of course, had brought cakes, custards, pies, pickles, etc. So at noon a sumptuous repast was served.

After resting an hour in the cool grove, the men returned to their work, which they finished about 3:30 o'clock leaving the cemetery clean and beautiful.

A cold drink concession was managed by Mrs. Ralph Hubert for the purpose of securing funds to place an iron fence around the cemetery.

### Cameron Druggist Gets Sad Message

F. E. Jackson of the Pace-Marshall Drug Company left Tuesday night with his family for Gerard, Kansas, in response to a telegram stating that his mother had died at that place Tuesday afternoon. Mr. Jackson had received a wire earlier in the day to the effect that Mrs. Jackson had been taken seriously ill, but the news of her death came before he could get a train out of Cameron.

Mr. Jackson stated that his mother had been in poor health for some time and that her death was probably due to paralysis, as she was subject to attacks of this dreaded malady.

Mr. Jackson and his family have the deep sympathy of friends here in the loss of their loved one.

Mrs. May, of Dallas, who has been visiting the past few weeks in the home of her sister, Mrs. John Watson, started on her return trip today. She will stop in Temple to visit her brother, Mr. Bassett.

### Cameron Trade Boosters Complete First Day of Trip---Meet With Cordial Reception at all Places on the Route

Cameron Trade Boosters—evangelists of local industry, more than one hundred and forty in number, came in personal contact with thousands of people in the trade territories in Milam county Wednesday thus completing with well deserved success the first day of the two day trip to be made in the county to place before the people the unexcelled commercial advantages of Cameron.

"An age of progress—an age of co-operation," the alert, progressive application given by Judge W. G. Gillis, orator for the day, was never more thoroughly characteristic of a body of trade boosters and town builders than on yesterday when they talked to thousands of people in the southern part of the county.

Beginning at 8 o'clock this morning the Trade Boosters set out on their last day of the campaign. All points north of the Little River will be covered in the itinerary today. The Boosters are due to arrive in Cameron early this evening or late in the afternoon. In the number of boosters practically every line of industry is represented, each with advertising literature and a word for the interest of Cameron.

Getting away to a flying start at eight o'clock Wednesday morning, the first stop was made at Milano with Monta Thomas, pilot, running on schedule, a pace kept up throughout the day and arriving in Cameron ahead of schedule. The autos lined the streets at Milano while the band under Director Medsker crashed popular music.

At Milano the Boosters were met with a good number of progressive citizens of that town and were treated to a melon feast by J. B. Newton & Sons mercantile firm. The melons had been iced for the occasion and were thoroughly enjoyed by the Cameronites.

After the melon feast Judge W. G. Gillis, orator, addressed the people of Milano thanking them for their cordial reception and at the same time preaching his doctrine of co-operation among the people of the county as a means to better progress.

Rockdale, the next stop of the trip, was made on schedule time. Mayor Meyers and others met the Boosters at the city limits and piloted them to the business section and public square where a stand had been erected for the speaking. Hon. E. A. Camp delivered the address of welcome which was responded to by Judge W. G. Gillis. Mrs. E. A. Camp had charge of refreshments for the visitors and a committee of pretty girls pinned rose buds on the Cameronites. The stay in Rockdale was pleasant in every way, the reception most cordial.

Mr. Camp in making the address of welcome told something of the industrial progress of the county and of the famous lignite fields of Rockdale. He congratulated the Cameronites on their spirit of progress.

Judge Gillis was roundly applauded by both Boosters and Rockdale citizens alike in his speech greeting the good people of Rockdale and in giving progressive application to the purpose of the trip. "An age of co-operation, an age of progress," he said, and asked for the good will and co-operation of that center to make Milam the best county in Texas.

Reaching Thorndale at 12:30 the Boosters mingled with the people of that city and were received with enthusiastic expressions of admiration for the spirit of progress being shown in Cameron by the business men and business getters. At one o'clock the Boosters were served lunch.

Hon. A. J. Lewis, newly elected county attorney of Milam county, delivered an address to the citizens of Thorndale. Mr. Lewis asked the co-operation of the people of that district to make Milam county the best in the state and invited them to come to

Cameron and to know this great commercial center better.

Leaving Thorndale on time the Boosters went to San Gabriel where they were met by H. H. Camp and others who welcomed them to the beautiful little town on the San Gabriel river. The band played and Judge W. G. Gillis spoke to the people following the address of welcome by Mr. Camp.

At Davilla, the next stop of the trip the Boosters were met by more than 200 progressive citizens of that section. It was one of the most pleasing stops of the entire trip. Here County Attorney Lewis delivered his second address of the day, placing the advantages of Cameron before the people and asking their co-operation to make the county what it should be as a trade center of the first rank.

The Boosters pushed on to Sharp, the next stop. Pilot Monta Thomas was running ahead of schedule, a marvelous record kept up throughout the day. At Sharp the usual program was given, with the Boosters advertising Cameron and the band playing for the people.

Tracy was the last stop of the day, the Boosters making the best of the opportunity to get in some good work boosting Cameron. From there the Cameronites put in for home reaching the city well ahead of schedule.

The day was a big success from every angle and will result in greater commercial activity in the trade territories.

Dr. and Mrs. G. E. Taylor went to Marlin last Sunday where Mrs. Taylor will remain for several weeks to derive the benefit of the baths. Dr. Taylor returned to Cameron early in the week.

### FORMER CITIZEN MEETS DEATH IN AUTO ACCIDENT

Citizens of Cameron were greatly shocked on last Sunday morning when they received news of the tragic death of Burt M. Ford, who for many years was a resident of this city and was a brother of W. C. Ford. Mr. Ford, who was a resident of this city and was a concern, with a companion, was returning from an auto trip to his home in Corpus Christi. In some manner the car missed a small culvert and overturned, pinning Mr. Ford underneath. It was impossible for the other gentleman to summon aid quickly and when the car was pried up it was found that Mr. Ford's injuries were fatal. The injured man was rushed to the hospital but died soon after arrival there.

Burt Ford was born in February 1880 and spent practically all of his early life in this vicinity, having left Cameron about twelve years ago. Arrangements were made immediately after his death to have the body returned to this place for burial.

Funeral services were held Tuesday morning at Oak Hill cemetery, conducted by Rev. B. B. Blaylock. The esteem in which the deceased was held in this community was attested by the large numbers of friends who attended the last sad rites and the many beautiful floral offerings.

Those attending the funeral from other points were S. E. Ford, father of the deceased, Mrs. John Snyder of Tullerosa, N. M., and Mrs. W. M. Schrock of Midland, sisters; Mr. Ford of Jones Prairie and J. E. Ford and family of Santa Anna, brothers of the deceased and Mr. and Mrs. Tate of Waco, who were close friends of the family.

The Herald joins the many friends in extending to those left to mourn the death of this unfortunate young man, heartfelt sympathy in their hour of grief.

Mr. W. J. Bassett, of Temple, spent Tuesday in Cameron with his sister, Mrs. John Watson.

## NEGRO SLAYER OF WHITE WOMAN GIVEN JUSTICE BY MOB

OAK TREE IN COURT YARD AT  
CENTER PLACE OF EXECU-  
TION FOR BLACK FIEND

Center, Texas, Aug. 2.—A mob of more than one thousand men at 3 o'clock this afternoon stormed the county jail, battered down the steel doors, wrecked the steel cell and took out Lige Daniels, a negro, charged with the murder of Mrs. Maggie Hall, and hanged him to a limb of a convenient oak tree in the court house yard.

The lynching followed a full confession made to the grand jury now in session, and also to the district attorney, J. P. Anderson.

Mrs. Hall, the wife of a well known farmer living near Center, was brutally attacked and later found unconscious at a lonely point near her home last Thursday night. Her skull was crushed and her body bruised and lacerated. She was brought to a local sanitarium, where she died Friday.

Lige Daniels was suspected because of alleged threats previously made, and after his arrest made a full confession, which was reiterated before the grand jury today.

Capt. W. A. Bridges, commanding Company L, Seventh cavalry, received wire instructions to protect the prisoner and to prevent the lynching, but was unable to find any of the members of his company in time for mobilization. Shortly after the lynching the immense crowd dispersed and the town quickly resumed its normal appearance.

Early in the day a message was received from San Augustine announcing that in the event the negro was not executed today a sufficient delegation from that county would arrive tonight to attend to the matter.

THE UNIVERSAL CAR

## LET THERE BE NO DISCORDS

If your Ford car is out of tune, there is undoubtedly a very good reason for it. And the best way to find that reason, and have it remedied, is to jump in and drive to our authorized Service station, where one of our mechanics who is thoroughly acquainted with the Ford mechanism and who knows the Ford way to adjust or repair your car, can tune it up in a garage that is properly equipped to give real Ford service. Then, too, we never use imitation parts—only the Genuine Ford-made, strong and durable. They wear from thirty to seventy-five per cent longer than the counterfeit parts that are softer and more cheaply made. In fact it is dangerous to human life to use imitation parts, and it is not fair to your Ford car or your pocket book.

We are a part of the gigantic Ford Service organization whose purpose it is to serve the owners of all Ford cars and trucks; we have more than a passing interest in your car. Prompt service is given on all work—from a minor adjustment to a motor overhaul. Drive in and see the facts for yourself—there's too much money invested in your Ford car to miss connections with the authorized Ford dealers.

## Some Telephone Facts

IT COSTS MORE to furnish Telephone Service today than it did a few years ago.

THE COST OF ALL MATERIALS AND LABOR has increased in the past few years, but telephone rates have remained fixed—IT IS NOW IMPERATIVE THAT TELEPHONE RATES BE SLIGHTLY INCREASED IN ORDER TO MEET THE CHANGED CONDITIONS.

We have not been earning anything like a reasonable return and we must increase the rate to our patrons to a point where we can earn a small return on the investment.

The new rate will not yield a reasonable return but it is imperative that we increase the rate to a point where we will not suffer a loss. The re-adjustment of telephone rates, however, is nothing like that in other lines, proportionately, but they will enable us to survive and properly fulfill our obligations to the public.

## MRS. SMITH ISSUES A STATEMENT TO VOTERS OF DISTRICT

EXPLAINS GROUND UPON WHICH  
SHE MADE FIGHT—SURPRIS-  
ED AT ATTITUDE TOWARD  
WOMAN SUFFRAGE

(Temple Telegram)

Mrs. Bennett F. Smith has issued the following statement to the democratic voters of Bell and Milam counties:

"The very first day that I worked with the voters, I found a few men who were genuine suffragists, but few who wanted a woman to hold an office in state, county, or precinct. My friends who were keeping me posted found the sentiment against women holding office so strong that they became discouraged; so did I. Most people knew I could not have held the office, if elected, unless another state ratified. That we all know is true. At all times I explained this, never trying to deceive anyone, and as yet the thirty-sixth state is lacking to make women qualified voters. The people know if I was elected and the other state failed to ratify, another election would be necessary to elect a person for this place in the legislature.

"I was shocked to find so many women and men against woman suffrage, and a woman assisting in making laws in Texas, more especially in Bell county. And it may be some time before a woman can be elected as a law-maker, as I see it, after meeting the voters and hearing them express themselves in regard to woman's place in politics.

"I worked part of two weeks; I visited eight voting boxes in Milam county and eleven in Bell county. People were lovely to me. I made a lot of friends. I enjoyed every moment of the campaign. Many people who voted against me did it for the

reasons mentioned above. The man elected was a man old on the job, having solicited practically every voter in the two counties once before for the same office. In other words, he had worked four years; I worked less than two weeks.

"I am not discouraged at all over my not securing enough votes to get the place, but will continue to work for equal suffrage and will always take a part in my friends who run for office, even a woman. Not boasting, but I believe there isn't a woman in Bell county that could have received more votes than I did, since I feel most of them were complimentary. The race of Governor must convince us that people were not very suffragist this election.

"Come on, my friends of Milam and Bell counties! Forget it. No time to lose thinking about the election! I am here, ready in the future, the same as in the past, loyal to my friends and foes alike—ready with my time, my all, to make Bell and Milam counties the best counties on earth to live in. I think my good friends who voted for me more than I have space to express. I was the first woman to offer for the Texas legislature, but will not be the last. As a pioneer, I trust that I may have blazed the way for the women that will follow. I am in favor of some woman, or women, in the next legislature, and I will support her with my vote and influence. I expect to live and be buried in Bell county, and am going to keep smiling even to those that voted against me. You know there are a lot of men in the house, and that may have had a tendency to make me nervous, and really I believe I would prefer a seat in the senate hence, anyway.

"I made the fight, as you all well know, for a class of people that is so unpopular. The people in Milam and Bell would not elect a representative who could speak for them in the Thirty-seventh legislature. Never fear, my little helpless children. Be patient, you widows who should have a mothers' pension. Investigate where you are sending unfortunate prisoners. We hope to be there when the legislature comes together and

plead for your better treatment. All the above mentioned could have had a friend if you had voted for a woman and the Thirty-sixth state ratified. To my people of Milam and Bell, I love you! On with the battle for humanity!

### COX DECLINES TO TAKE HAND IN TEXAS FIGHT

Dayton, Ohio, Aug. 2.—Governor Cox today declined to accede to an appeal from Texas Democrats that he intervene in their behalf in the State

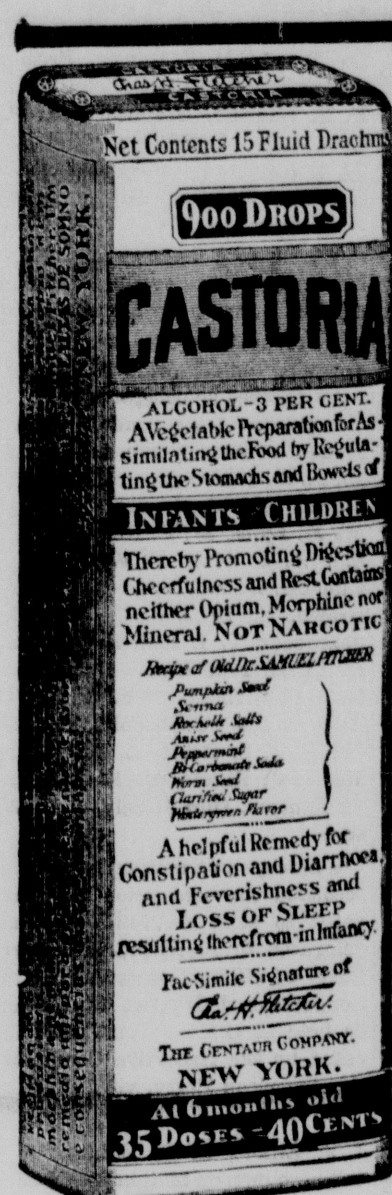

fight now in progress there. "It is neither my province nor desire to intervene in any way with the Texas situation," said the Governor. "It is a matter entirely for the Democrats of the State. That has been my attitude from the outset."

## HOPELESS DISEASES CAN NOT BE CURED BY DOCTORS OR MEDICINE

There are some diseases which are absolutely hopeless and past cure by any physician or medicine, but they may be palliated and a medicine, if it does not help in one case, may help in another. To any one suffering from a disease a remission is a degree of health and a medicine that relieves or palliates a disease is of great benefit. We can not guarantee to cure any disease with Number 40 For The Blood, but we quote word for word what the ingredients in 40 are recommended for in the U. S. Dispensatory and New American Materia Medica: "In the treatment of blood troubles an acknowledged remedy among all schools of physicians, removes the cause of disease, stimulates the removal of waste, thus indirectly encouraging nutrition. Disorders of the nervous system demand this remedy, such as neuralgias, chronic rheu-

matism, gouty conditions, auto-intoxication, constipation. Used with phenomenal success in eczema and skin diseases, lumbago, glandular swellings, ulcerations of mucous membranes and in general disorders of the stomach, liver, kidneys and spleen." Prepared by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. W. S. King, 802 E. 4th St., Pueblo, Col., makes the following statement: "I suffered for a number of years with kidney trouble, sciatic rheumatism and constipation, tried numerous remedies with little or no benefit. I was induced to try Number 40 For The Blood. I found I was benefited from the start, and after taking six bottles received such wonderful and satisfactory results, I am prompted to make this statement." ## Get Goodyear Value In Tires for Small Cars

Don't be misled by very cheaply priced tires, for tire economy is not a matter of what tires cost originally but of what tire service costs in the end.

True Goodyear mileage and economy are built into Goodyear Tires, of the 30 x 3-, 30 x 3½- and 31 x 4-inch sizes, in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking one of these sizes, you can equip it with Goodyear Tires at your nearest Service Station.

Go there for the exceptional value in these tires made possible by Goodyear's resources, experience and demonstrated expertness in tire manufacture.

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50

## As Dead as the Dodo

Every druggist in town—your druggist and everybody's drug-  
gist has noticed a great falling off in the sale of calomel. They  
all give the same reason. Dodson's Liver Tone is taking its  
place.

"Calomel is dangerous and people know it, while Dodson's  
Liver Tone is perfectly safe and gives better results," said a  
prominent local druggist.

### Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally  
guaranteed by every druggist who  
sells it. A large bottle costs but a  
few cents, and if it fails to give easy  
relief in every case of liver sluggish-  
ness and constipation, you have only  
to ask for your money back.

Dodson's Liver Tone is a pleasant-  
tasting, purely vegetable remedy,  
harmless to both children and adults.

Take a spoonful at night and wake  
up feeling fine; no biliousness, sick  
headache, acid stomach or constipated  
bowels. It doesn't gripe or cause in-  
convenience all the next day like vio-  
lent calomel. Take a dose of calomel  
today and tomorrow you will feel  
weak, sick and nauseated. Don't lose  
a day's work! Take Dodson's Liver  
Tone instead and feel fine, full of  
vigor and ambition.

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely. Little's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning; also for relieving the annoyance caused by chiggers and mosquito bites. In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

#### WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Cameron people recommend Doan's stronger proof of merit?

Ask your neighbor.  
Melvin Weems, E. 2nd St., Cameron, says: "My kidneys had bothered me more or less for a long time. It seemed whenever I took a little cold or there was a sudden change there was a sediment in the secretions and they smarted and burned in the passage. My back got lame, and the muscles all through me were lame and sore. I had taken all kinds of medicines but didn't get any help at all. I called on the doctor here for advice and he told me to take Doan's Kidney Pills. I followed his advice and got a supply of Doan's and took them as directed. I am very proud to say Doan's Kidney Pills cured me and my kidneys have been strong and in good shape since then. I very gladly endorse Doan's Kidney Pills."

SERVICE PROGRAM  
OF SALVATION ARMY  
CREATES INTEREST

The interest with which the Salvation Army's Home Service Program has been received in the Southwest is a source of extreme gratification to Lieutenant Colonel George Wood, chief provincial officer in command of the territory which embraces Texas, Oklahoma and Louisiana.

"Already more than one hundred boards have been formed in the various counties in this division," Colonel Wood said yesterday, "and in every case the leading men of each community have shown themselves anxious to assist the Salvation Army in its policy of rendering service of the tried and true kind, wherever service is needed and possible. It is hoped by early fall that a functioning board, will be in operation in practically every county."

With the formation of these boards all of the Salvation Army's sixteen major activities are placed at the disposal of the county. These are relief work, rescue and maternity homes, young women's boarding homes, industrial homes, working men's hotels, fresh air camps, Christmas dinners, free employment bureaus, prison work, juvenile industrial and agricultural schools and farms, boys' friend bureau, missing friends bureau, anti-suicide bureau, work among service men, field and evangelistic work and emergency department.

In accepting the national chairmanship, Franklin K. Lane, former secretary of the Interior, said, "There is no

agency for doing good of which this country is more proud than the Salvation Army. Your great service is that of putting heart into men who have weakened. This is human reconstruction. You establish self-respect. You lay the foundation for rebuilding character and self-control. You give aim to those who are purposeless and hope to those who have lost hope. This is a glorious work. There can be none nobler and to be a party to such work is an honor in which every one can share."

## YOUR GRAY HAIR

You Can Bring Back Color and Lustre With Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of

other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. Gray, faded hair, though no disgrace is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look

REV. A. J. VALLERY MAKES STATEMENT

Says Tanlac Has Overcome His Troubles and He Feels Like a New Man

"I feel that it would be helping others to tell what Tanlac has done for me," said Rev. A. J. Vallery, living at 834 Chelsea Ave., Memphis, Tenn.

"About three years ago," he continued, "I had a general breakdown that made me very nervous. I had a sour stomach and would spit up undigested food. The pains in my stomach hurt so at times that I thought they would kill me. I also suffered with rheumatic pains in my joints and my kidneys were in so bad shape, my sleep was poor and I felt so tired all the time that I could not do my work."

"Since taking Tanlac I have been relieved of indigestion and those pains are all gone. My kidneys don't trouble me any, I am not nervous like I was and I can sleep fine every night. My strength and energy have been restored and I feel like a new man."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

## OAKDALE NEWS

By Mrs. S. Hause

Oakdale, August 2.—This community is thrilled over the campmeeting which has been going on at Milano for ten days. There were two ladies who did the preaching, and they were more than fine; as good preachers as I ever heard. There were car loads from Cameron, Rockdale, Gause, Liberty, Oakdale, Hanover—well, from everywhere in reach of Milano who could get there, and they are going to have another one next year to commence at about the same time that this one started.

Mr. and Mrs. A. L. Chatman have gotten home from his father's at Ad Hall, where his grandmother had been sick several weeks. She died last week and was laid away at North Elm cemetery.

Mr. and Mrs. Clyde Hensley were at Liberty Sunday and her brother, Sam, came home with them. Will Angel, a cousin, also came with them.

Yesterday David Link and family came out to see her father, Sid Hause, to learn something about her brother, Ed Hause, who has been at Somerville at work in the Round House, and was taken suddenly sick with his back and fell. He was taken to the Santa Fe Hospital Friday, and we have not heard from him.

Hugh Wimberley started to Cameron about two o'clock this morning with a big load of watermelons. This country seems to be full of them.

Mr. and Mrs. Ed Ditto of Walkers Creek were out at Mr. and Mrs. Sid Hause's Sunday, and Mr. John Story of Marlow, and son Leonard came also, and his other son, Tom of Belmena, was with them to see if they could be pleased with land to rent here.

The Milano people think everybody ought to like here.

Mr. and Mrs. John Wilkerson was to see her mother, Mrs. Hill, at Cameron, Saturday, and as this is first Monday he went soon this morning.

Mrs. J. H. Ashenbeck and son, have returned home from Wharton and other places south. They did not stay as long as they thought they would but had a good time.

Mr. E. J. Fisher and grandson, Clyde, were in Milano Saturday morning.

Mr. Jim Rogers of near Rockdale, son Frank, his wife, and her mother, Mrs. John Springer, were at the camp meeting Sunday night.

Miss Juanita Caldwell and Miss Owen Bacon of Cameron have been guests of Miss Annie Lee Peebles at Milano, attending a house party.

Mr. and Mrs. Godfred Jennings of Kosse have been visiting in Milano at the G. D. Hooker home.

Miss Ada Bando of Newcastle, Texas, was to see her sister, Mrs. S. W. Taylor of Milano.

Mrs. A. B. Bradberry and daughter, Miss Myrtle Sims, Mr. and Mrs. Philip Houston went to Cameron last Friday afternoon to see relatives.

Mrs. J. H. Burnet of Milano is still shipping tomatoes and said he would have them for about three weeks.

Mr. and Mrs. A. R. O'Neal and children have returned home from a two weeks auto trip, and report a very fine time.

Mr. and Mrs. Bruce Stewart and children of Milano also took an auto trip through Central West Texas. They got back Tuesday on their trip. They first went to Temple, from there to Waco and Fort Worth, where they visited one of his brothers, R. J. Stewart, who joined them in their car to Breckenridge, Albany, Ballinger, San Angelo. At Ballinger they visited an

aunt and cousin, whom they had not seen in 30 years.

Mrs. Jim Baker has returned from Waco.

Mr. and Mrs. Ike Hunt spent the day with J. H. Thompson and family last week.

Mr. Edgar Hargraves and family are back at Mr. Joe McMurray's and will locate somewhere in the Prospect country.

Mrs. C. F. Rumble and daughter, Miss Olga of Austin, are guests of Mrs. J. O. Newton at Milano this past week.

Mr. and Mrs. J. O. Newton, we regret to say, will move to Rockdale to take charge of the store of Scarborough & Hicks.

Mr. J. D. Peebles, Jr., went to Brenham Monday to buy another new Ford. He keeps them on hand to sell.

Grandpa Hildebrant of Liberty has returned home from a visit to his

daughter, Mrs. Garard Ashenbeck in Dawson county.

There was a Baptist meeting started at Liberty Saturday night by Bro. Angel of Watts Switch and Bro. McClung of Waco.

# Bailey For Governor

## DEMOCRATS OF MILAM COUNTY

You are being told by the newspapers favoring the candidacy of Pat M. Neff that the "closed shop" is not an issue in the run-off campaign between Senator Bailey and Pat M. Neff. The "closed shop" advocates are supporting the candidacy of Mr. Neff. The following is part of a circular folder which is being distributed all over the black land farming section of Texas. The folder is too long to print in full here, but was printed in the Houston Chronicle of August 2nd and we quote all of it pertaining to Texas matters.

Read it, and arouse yourselves to the danger which is threatening our state and country.

## LABOR'S LEAGUE

MR. FARMER!

Join With Labor. Vote for and Work for

PAT NEFF FOR GOVERNOR

ELECTION AUGUST 28, 1920

A THREE FOR ONE

If Mr. Neff is Defeated, Join Again With Labor and Vote for T. H. McGregor, or the Republican Candidate for Governor in the General Election, November 2, 1920.

A vote against Bailey will place Texas on the Closed Shop Map of the World. It will place Texas after defeat of Baileyism on the Farm-Labor Bank Plan. It will place Texas in the field to open Co-operative Farm-Labor Business Institutes.

Proof in a nut shell that labor can and will rule if the farm-laborer will join with labor against the so-called BUSINESS MAN and THE LAND GRAB OWNERS.

Remember the Names, Neff in August, McGregor or the Republican candidate in November

We put old man Joe Bailey right where he belongs at the May primary and will bury him completely in the August primary, reports George E. Davis of Longview, Texas.

Am trying to place labor in the home of every worker, writes L. S. Hoag of San Antonio.

R. A. Campbell of Denison, Texas, reports that he has the ball rolling for labor in fine shape in his city.

Get the truth in labor and that will put men in congress who can be relied upon to do something for the laboring class, writes T. R. Bennett of Teague, Texas.

Labor is Unlimbered for its Enemies—Leaders Pleased With Results in Primaries—Bailey Ousted in Texas in May Primaries for Fight on Gompers

Nationwide response has been made to the appeal of the American Federation of Labor for non-partisan political effort. Active campaign committees are operating in every State and congressional district. The national headquarters has announced additional committees to work, regardless of parties, against the enemies of organized labor. A few weeks ago the national committee made an appeal for funds. The response was generous. More than \$35,000 was received in two weeks and the committee was assured funds when needed.

Every reactionary will be opposed with all the strength that the league can bring against them.

## Bailey Defeated in Texas

In Nebraska, Kansas, Texas and other states, labor has tested its strength and has won many notable victories. In a number of States they have set up farm labor governments.

In Texas Labor's Opposition Brought the Defeat of Former Senator Bailey, Who Aspired to be Democratic National Committeeman

Yes, and labor will bring about the defeat of Bailey in August. If not in August, labor, with its vote, along with the votes of its Republican Union Members, will oust him in November.

## The Farm Hands Can Organize.

When the banker or the farm owner or the so-called business man states to you that the farm laborer can not form into a union, just state to him that it was stated that the following could not organize, but are today: The City Firemen, the School Teachers, the Undertakers, the Section Hands, the Negro Laborer, the Negro Dockworker, the Bank Clerks, the Negro Shoe Shiners, the Domestic Workers, the Negro Washerwomen, and just hundreds of other unskilled men and women who labor. All of these work on an EIGHT-HOUR BASIS. Now is the time to organize and defeat Bailey.

Texas Has Thousands of Negro Union Votes That will be Cast in November—Colored Delegation at American Federation of Labor Convention Gives Equal Rights.

Life was injected into the proceedings of the American Federation of Labor convention in Montreal on June 10th when the committee on organization reported out a number of resolutions relating to the negro problem. Negro delegates claimed their race was being discriminated against and denied affiliation with organizations assuming jurisdiction over their class of labor. One resolution sought to gain recognition for national organization composed of colored workers wholly. This resolution was defeated, inasmuch as the American Federation of Labor makes no distinction as to race or color.

## Unions Urged to Eliminate the Word Only White

After a heated debate between the Clerks' Union and the negro delegates, the convention finally voted that all unions affiliated with the American Federation of Labor be urged to eliminate the words in their constitutions "Only Whites" as to eliminate restrictions to membership.

So it's a shot in August and November.

Pat M. Neff Always a Consistent Friend of Organized Labor—Read What the Report of the Joint Labor Legislative Board Says

We can not conclude this report without expressing our high appreciation of the valuable services of the many friends of labor in the house and senate. The speaker of the house, HON. PAT M. NEFF, has always been a staunch friend of organized Labor, and as a member of the Twenty-Seventh Legislature rendered us valuable assistance. As speaker, labor received just recognition.

(Signed) Walton Peteet, Legislative Representative Texas Federation of Labor, and other members of the board.

Letter Carriers' Hall, Dallas, July 28, 1920

Whereas, Labor's Political League is composed of union men, who are not controlled by any of the SO-CALLED, SELF-STYLED LABOR LEADERS who do not toil; and Whereas, The so self-styled leaders during the past primary supported R. E. Thomason for governor when the so self-styled leaders were aware of the fact that Thomason, as speaker of the house of representatives, did not raise his voice in behalf of labor at any time; and

Whereas, The self-styled leaders did not inform the membership that Thomason, who, with his great influence as speaker of the house, did not oppose the sending of state militia to the City of Galveston to oppose Organized Labor; and,

Whereas, The Hon. Pat M. Neff has at all times been the friend if Organized Labor as the report of the joint legislative board will prove; therefore, be it

Resolved, That this league will, as it has done in the past, support and work for the Hon. Pat M. Neff for governor from this day to the closing of the polls on August 28. Unanimously adopted.

## A Final Appeal

Labor appeals to you, Mr. Farm Hand, to join with Labor, as in other States, to defeat Bailey, to defeat the Farm Land Grab Owner, to Defeat, as other States have done, the so-called banker and business politicians; to defeat the open shop, and this will bring the eight-hour day in Texas—so join with us and vote for Neff on August 28. If Mr. Neff is defeated by Baileyism, then vote for McGregor or the Republican candidate for Governor in the General election to be held November 2, 1920.

NOTE—This league has members in practically all cities in the State, and are not led by those WHO TOIL NOT; neither are we favorable to the subsidized press of the State, who at all times have opposed Organized Labor, but we are at all times in touch with the political situation, looking to the best interest of labor, not only in the State of Texas, but all other states in the Union.

# INCREASE IS ASKED BY LIGHT COMPANY

## NEW RATE SCHEDULE WOULD AFFECT COMMERCIAL CONSUMERS ONLY

Placing the burden of the increase solely upon the commercial consumers under the assumption that they carry it more equitably, the Dallas Power and Light Company filed an application with the City Commission for a new schedule of rates which is estimated will net them an increase in revenue of 12 1/2 per cent, yesterday.

The request for the increase, which does not affect the rates for residence lighting, is based on the increased costs of labor and material since the present rates were put into effect. As an example it is cited in the request that fuel oil has increased in price 367 per cent over normal conditions prevailing in 1917. Part of the fuel oil used at present is bought for 97 1/2 a barrel under an old contract, while the great part of it costs \$3.50 a barrel, the present market price. It is also stated that materials have increased approximately 50 per cent, while the cost of labor has increased the same amount.

Taking the month of June, 1920 as a basis, the proposed rates would have increased the revenue for that month from \$174,752.91 to \$301,985.75, an increase of about 15 per cent. It is estimated, however, that the consumption of current will decrease at least 10 per cent from conservation adopted by the consumers due to the increased cost under the proposed rates, which would make the increase

in revenue to the company only \$25,406.60 for the month, or 12 1/2 per cent to the company.

## May Cost City More

As a further justification of placing the burden upon the commercial rather than the domestic users it is noted in the application that they are practically the only users of direct current and should bear the added expense of converting the current from alternating to direct current. The Dallas Railway Company is the largest single consumer affected by the increase. The city of Dallas will have to pay a slight increase for lighting, although the contract for street lighting is not affected by the general increase materially.

The stand of the company is voiced in the letter of transmittal received with the new schedule yesterday. Charles W. Davis, vice-president and general manager of the company, who signed the letter, said:

"We, in common with all other public utilities and industries, have been confronted for some time with greatly increased costs on all items of material and labor that are used in making and distributing our product and naturally, in order to properly safeguard the interests of both this company and the community we are endeavoring in every way possible to make our operations more efficient and economical and to secure wherever proper and justifiable additional revenue for our output and service in order to offset in a manner the present abnormal and unusually high costs we are operating under which shows from our records and other information available.

"It is quite apparent that a satisfactory earning power must be shown that will not only include "authorized" return, but also cover as stipulated in the franchise under which we operate necessary "reserves" in order to warrant the investors in purchasing our securities."

If the baby suffers from wind colic, diarrhoea or summer complaint, give it McGee's Baby Elixir. It is a pure, harmless and effective remedy. Price 35c and 60c. Sold by Pace-Marshall Drug Co.

Mrs. Tom Henderson left Wednesday for Austin, where she will visit her daughter, Mrs. Boyd Wells.

Mrs. John Watson returned Monday from a ten days' visit in Dallas.

### DEMOCRATS FORM NEFF CLUB; PLAN ACTIVE CAMPAIGN

WACO CANDIDATE GETS FORM-  
IDABLE SUPPORT FOLLOWING  
PRIMARY.—THOMASON AND  
LOONEY MEN LINE UP

Minutes of meeting of Milam county Democrats held in District Court room Friday night, July 30, for the purpose of organizing a "Neff for Governor Club."

Nearly one hundred Democrats of Milam County responding to a call made for a meeting to be held for discussing the campaign for Governor in Texas, met in the district court room of the court house in Cameron Friday night, July 30, formed a campaign organization to promote the candidacy of Hon. Pat. M. Neff of Waco for the Democratic nomination for Governor and organized the "Milam County Neff Club."

The meeting was called to order by Hon. O. L. Kidd who opened an address to the Democrats assembled, outlining the features of the campaign now being waged for Governor in Texas. The fight, he declared, was for a real democracy against Baileyism.

W. H. Triggs was elected temporary chairman, and R. P. Jeter was elected temporary Secretary.

Judd G. Davis was elected county chairman for the campaign. The nomination of O. L. Kidd for County Chairman following the speech of nomination by Giles L. Averiet in the interest of Mr. Davis. Mrs. Jeff T. Kemp was elected Vice-Chairman. J. B. White was elected Secretary and Treasurer.

On motion carried the three officers named were instructed to name an executive committee of as many members as deemed necessary to push the campaign.

It was decided upon motion to name the organization the "Milam County Neff Club."

T. S. Henderson delivered an address to the Democrats in which he pointed out practical campaign methods, setting out the nature of the fight now before the Democrats of Texas. The campaign, he said, would be a battle between the forces of Democrats and Baileyism.

Judge W. G. Gillis delivered an address in which he praised the action of Thomason and Looney Democrats in coming to the Neff Standard against Bailey. The first primary preferences, he said, could be forgotten in the face of the big issue now pending.

Dr. R. Criswell of Buckholts spoke to the Democrats assembled, pledging his support to the Club and in the coming campaign.

### MINERVA CEMETERY ASSOCIATION FORMED

On Thursday, the 29th of July, the people of Minerva met at the cemetery and organized a Cemetery Association, electing Mr. Ralph Hubert President and Mr. Sam Springer Vice-President.

All the men carried hoes, rakes, and axes, and employed themselves during the morning hours clearing off and burning the accumulated debris.

The merchants closed up, joined in and worked with a will.

In the meantime Mr. Gibb Terry and an assistant were barbecuing a large fat beef, while the ladies, of course, had brought cakes, custards, pies, pickles, etc. So at noon a sumptuous repast was served.

After resting an hour in the cool grove, the men returned to their work, which they finished about 3:30 o'clock leaving the cemetery clean and beautiful.

Mr. Jackson had received a wire earlier in the day to the effect that Mrs. Jackson had been taken seriously ill, but the news of her death came before he could get a train out of Cameron.

Mr. Jackson stated that his mother had been in poor health for some time and that her death was probably due to paralysis, as she was subject to attacks of this dreaded malady.

Mr. Jackson and his family have the deep sympathy of friends here in the loss of their loved one.

### Cameron Trade Boosters Complete First Day of Trip---Meet With Cordial Reception at all Places on the Route

Cameron Trade Boosters—evangelists of local industry, more than one hundred and forty in number, came in personal contact with thousands of people in the trade territories in Milam county Wednesday thus completing with well deserved success the first day of the two day trip to be made in the county to place before the people the unexcelled commercial advantages of Cameron.

"An age of progress—an age of co-operation," the alert, progressive application given by Judge W. G. Gillis, orator for the day, was never more thoroughly characteristic of a body of trade boosters and town builders than on yesterday when they talked to thousands of people in the southern part of the county.

Beginning at 8 o'clock this morning the Trade Boosters set out on their last day of the campaign. All points north of the Little River will be covered in the itinerary today. The Boosters are due to arrive in Cameron early this evening or late in the afternoon. In the number of boosters practically every line of industry is represented, each with advertising literature and a word for the interest of Cameron.

Getting away to a flying start at eight o'clock Wednesday morning, the first stop was made at Milano with Monta Thomas, pilot, running on schedule, a pace kept up throughout the day and arriving in Cameron ahead of schedule. The autos lined the streets at Milano while the band under Director Medsker crashed popular music.

At Milano the Boosters were met with a good number of progressive citizens of that town and were treated to a melon feast by J. B. Newton & Sons mercantile firm. The melons had been iced for the occasion and were thoroughly enjoyed by the Cameronites.

After the melon feast Judge W. G. Gillis, orator, addressed the people of Milano thanking them for their cordial reception and at the same time preaching his doctrine of co-operation among the people of the county as a means to better progress.

Rockdale, the next stop of the trip, was made on schedule time. Mayor Meyers and others met the Boosters at the city limits and piloted them to the business section and public square where a stand had been erected for the speaking. Hon. E. A. Camp delivered the address of welcome which was responded to by Judge W. G. Gillis. Mrs. E. A. Camp had charge of refreshments for the visitors and a committee of pretty girls pinned rose buds on the Cameronites. The stay in Rockdale was pleasant in every way, the reception most cordial.

Mr. Camp in making the address of welcome told something of the industrial progress of the county and of the famous lignite fields of Rockdale. He congratulated the Cameronites on their spirit of progress.

Judge Gillis was roundly applauded by both Boosters and Rockdale citizens alike in his speech greeting the good people of Rockdale and in giving progressive application to the purpose of the trip. "An age of co-operation, an age of progress," he said, and asked for the good will and co-operation of that center to make Milam the best county in Texas.

Reaching Thorndale at 12:30 the Boosters mingled with the people of that city and were received with enthusiastic expressions of admiration for the spirit of progress being shown in Cameron by the business men and business getters. At one o'clock the Boosters were served lunch.

Hon. A. J. Lewis, newly elected county attorney of Milam county, delivered an address to the citizens of Thorndale. Mr. Lewis asked the co-operation of the people of that district to make Milam county the best in the state and invited them to come to

Cameron and to know this great commercial center better.

Leaving Thorndale on time the Boosters went to San Gabriel where they were met by H. H. Camp and others who welcomed them to the beautiful little town on the San Gabriel river. The band played and Judge W. G. Gillis spoke to the people following the address of welcome by Mr. Camp.

At Davilla, the next stop of the trip the Boosters were met by more than 200 progressive citizens of that section. It was one of the most pleasing stops of the entire trip. Here County Attorney Lewis delivered his second address of the day, placing the advantages of Cameron before the people and asking their co-operation to make the county what it should be as a trade center of the first rank.

The Boosters pushed on to Sharp, the next stop. Pilot Monta Thomas was running ahead of schedule, a marvelous record kept up throughout the day. At Sharp the usual program was given, with the Boosters advertising Cameron and the band playing for the people.

Tracy was the last stop of the day, the Boosters making the best of the opportunity to get in some good work boosting Cameron. From there the Cameronites put in for home reaching the city well ahead of schedule.

The day was a big success from every angle and will result in greater commercial activity in the trade territories.

Dr. and Mrs. G. E. Taylor went to Marlin last Sunday where Mrs. Taylor will remain for several weeks to derive the benefit of the baths. Dr. Taylor returned to Cameron early in the week.

### FORMER CITIZEN MEETS DEATH IN AUTO ACCIDENT

Citizens of Cameron were greatly shocked on last Sunday morning when they received news of the tragic death of Burt M. Ford, who for many years was a resident of this city and was a brother of W. C. Ford. Mr. Ford, who was a resident of this city and was a concern, with a companion, was returning from an auto trip to his home in Corpus Christi. In some manner the car missed a small culvert and overturned, pinning Mr. Ford underneath. It was impossible for the other gentleman to summon aid quickly and when the car was pried up it was found that Mr. Ford's injuries were fatal. The injured man was rushed to the hospital but died soon after arrival there.

Burt Ford was born in February 1880 and spent practically all of his early life in this vicinity, having left Cameron about twelve years ago. Arrangements were made immediately after his death to have the body returned to this place for burial.

Funeral services were held Tuesday morning at Oak Hill cemetery, conducted by Rev. B. B. Blaylock. The esteem in which the deceased was held in this community was attested by the large numbers of friends who attended the last sad rites and the many beautiful floral offerings.

Those attending the funeral from other points were S. E. Ford, father of the deceased, Mrs. John Snyder of Tullerose, N. M., and Mrs. W. M. Schrock of Midland, sisters; Mr. Ford of Jones Prairie and J. E. Ford and family of Santa Anna, brothers of the deceased and Mr. and Mrs. Tate of Waco, who were close friends of the family.

The Herald joins the many friends in extending to those left to mourn the death of this unfortunate young man, heartfelt sympathy in their hour of grief.

Mr. W. J. Bassett, of Temple, spent Tuesday in Cameron with his sister, Mrs. John Watson.

## NEGRO SLAYER OF WHITE WOMAN GIVEN JUSTICE BY MOB

### OAK TREE IN COURT YARD AT CENTER PLACE OF EXECU- TION FOR BLACK FIEND

Center, Texas, Aug. 2.—A mob of more than one thousand men at 3 o'clock this afternoon stormed the county jail, battered down the steel doors, wrecked the steel cell and took out Lige Daniels, a negro, charged with the murder of Mrs. Maggie Hall, and hanged him to a limb of a convenient oak tree in the court house yard.

The lynching followed a full confession made to the grand jury now in session, and also to the district attorney, J. P. Anderson.

Mrs. Hall, the wife of a well known farmer living near Center, was brutally attacked and later found unconscious at a lonely point near her home last Thursday night. Her skull was crushed and her body bruised and lacerated. She was brought to a local sanitarium, where she died Friday.

Lige Daniels was suspected because of alleged threats previously made, and after his arrest made a full confession, which was reiterated before the grand jury today.

Capt. W. A. Bridges, commanding Company L, Seventh cavalry, received wire instructions to protect the prisoner and to prevent the lynching, but was unable to find any of the members of his company in time for mobilization. Shortly after the lynching the immense crowd dispersed and the town quickly resumed its normal appearance.

Early in the day a message was received from San Augustine announcing that in the event the negro was not executed today a sufficient delegation from that county would arrive tonight to attend to the matter.

THE UNIVERSAL CAR

## LET THERE BE NO DISCORDS

If your Ford car is out of tune, there is undoubtedly a very good reason for it. And the best way to find that reason, and have it remedied, is to jump in and drive to our authorized Service station, where one of our mechanics who is thoroughly acquainted with the Ford mechanism and who knows the Ford way to adjust or repair your car, can tune it up in a garage that is properly equipped to give real Ford service. Then, too, we never use imitation parts—only the Genuine Ford-made, strong and durable. They wear from thirty to seventy-five per cent longer than the counterfeit parts that are softer and more cheaply made. In fact it is dangerous to human life to use imitation parts, and it is not fair to your Ford car or your pocket book.

We are a part of the gigantic Ford Service organization whose purpose it is to serve the owners of all Ford cars and trucks; we have more than a passing interest in your car. Prompt service is given on all work—from a minor adjustment to a motor overhaul. Drive in and see the facts for yourself—there's too much money invested in your Ford car to miss connections with the authorized Ford dealers.

## Some Telephone Facts

IT COSTS MORE to furnish Telephone Service today than it did a few years ago.

THE COST OF ALL MATERIALS AND LABOR has increased in the past few years, but telephone rates have remained fixed—IT IS NOW IMPERATIVE THAT TELEPHONE RATES BE SLIGHTLY INCREASED IN ORDER TO MEET THE CHANGED CONDITIONS.

We have not been earning anything like a reasonable return and we must increase the rate to our patrons to a point where we can earn a small return on the investment.

The new rate will not yield a reasonable return but it is imperative that we increase the rate to a point where we will not suffer a loss. The re-adjustment of telephone rates, however, is nothing like that in other lines, proportionately, but they will enable us to survive and properly fulfill our obligations to the public.

## MRS. SMITH ISSUES A STATEMENT TO VOTERS OF DISTRICT

EXPLAINS GROUND UPON WHICH  
SHE MADE FIGHT—SURPRISED  
AT ATTITUDE TOWARD  
WOMAN SUFFRAGE

(Temple Telegram)

Mrs. Bennett F. Smith has issued the following statement to the democratic voters of Bell and Milam counties:

"The very first day that I worked with the voters, I found a few men who were genuine suffragists, but few who wanted a woman to hold an office in state, county, or precinct. My friends who were keeping me posted found the sentiment against women holding office so strong that they became discouraged; so did I. Most people knew I could not have held the office, if elected, unless another state ratified. That we all know is true. At all times I explained this, never trying to deceive anyone, and as yet the thirty-sixth state is lacking to make women qualified voters. The people know if I was elected and the other state failed to ratify, another election would be necessary to elect a person for this place in the legislature.

"I was shocked to find so many women and men against woman suffrage, and a woman assisting in making laws in Texas, more especially in Bell county. And it may be some time before a woman can be elected as a law-maker, as I see it, after meeting the voters and hearing them express themselves in regard to woman's place in politics.

"I worked part of two weeks; I visited eight voting boxes in Milam county and eleven in Bell county. People were lovely to me. I made a lot of friends. I enjoyed every moment of the campaign. Many people who voted against me did it for the

reasons mentioned above. The man elected was a man old on the job, having solicited practically every voter in the two counties once before for the same office. In other words, he had worked four years; I worked less than two weeks.

"I am not discouraged at all over my not securing enough votes to get the place, but will continue to work for equal suffrage and will always take a part in my friends who run for office, even a woman. Not boasting, but I believe there isn't a woman in Bell county that could have received more votes than I did, since I feel most of them were complimentary. The race of Governor must convince us that people were not very suffragist this election.

"Come on, my friends of Milam and Bell counties! Forget it. No time to lose thinking about the election! I am here, ready in the future, the same as in the past, loyal to my friends and foes alike—ready with my time, my all, to make Bell and Milam counties the best counties on earth to live in. I think my good friends who voted for me more than I have space to express. I was the first woman to offer for the Texas legislature, but will not be the last. As a pioneer, I trust that I may have blazed the way for the women that will follow. I am in favor of some woman, or women, in the next legislature, and I will support her with my vote and influence. I expect to live and be buried in Bell county, and am going to keep smiling even to those that voted against me. You know there are a lot of men in the house, and that may have had a tendency to make me nervous, and really I believe I would prefer a seat in the senate hence, anyway.

"I made the fight, as you all well know, for a class of people that is so unpopular. The people in Milam and Bell would not elect a representative who could speak for them in the Thirty-seventh legislature. Never fear, my little helpless children. Be patient, my widows who should have a mothers' pension. Investigate where you are sending unfortunate prisoners. We hope to be there when the legislature comes together and

plead for your better treatment. All the above mentioned could have had a friend if you had voted for a woman and the Thirty-sixth state ratified. To my people of Milam and Bell, I love you! On with the battle for humanity!

### COX DECLINES TO TAKE HAND IN TEXAS FIGHT

Dayton, Ohio, Aug. 2.—Governor Cox today declined to accede to an appeal from Texas Democrats that he intervene in their behalf in the State

fight now in progress there.

"It is neither my province nor desire to intervene in any way with the Texas situation," said the Governor. "It is a matter entirely for the Democrats of the State. That has been my attitude from the outset."

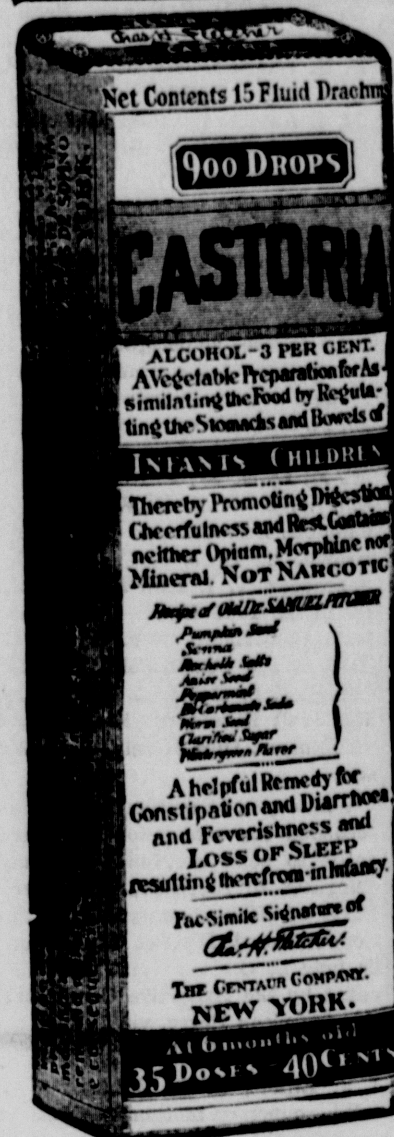

## HOPELESS DISEASES CAN NOT BE CURED BY DOCTORS OR MEDICINE

There are some diseases which are absolutely hopeless and past cure by any physician or medicine, but they may be palliated and a medicine, if it does not help in one case, may help in another. To any one suffering from a disease a remission is a degree of health and a medicine that relieves or palliates a disease is of great benefit. We can not guarantee to cure any disease with Number 40 For The Blood, but we quote word for word what the ingredients in 40 are recommended for in the U. S. Dispensatory and New American Materia Medica: "In the treatment of blood troubles an acknowledged remedy among all schools of physicians, removes the cause of disease, stimulates the removal of waste, thus indirectly encouraging nutrition. Disorders of the nervous system demand this remedy, such as neuralgias, chronic rheu-

matism, gouty conditions, auto-intoxication, constipation. Used with phenomenal success in eczema and skin diseases, lumbago, glandular swellings, ulcerations of mucous membranes and in general disorders of the stomach, liver, kidneys and spleen." Prepared by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. W. S. King, 802 E. 4th St., Pueblo, Col., makes the following statement: "I suffered for a number of years with kidney trouble, sciatic rheumatism and constipation, tried numerous remedies with little or no benefit. I was induced to try Number 40 For The Blood. I found I was benefited from the start, and after taking six bottles received such wonderful and satisfactory results, I am prompted to make this statement." ## As Dead as the Dodo

Every druggist in town—your druggist and everybody's druggist  
has noticed a great falling off in the sale of calomel. They  
all give the same reason. Dodson's Liver Tone is taking its  
place.

"Calomel is dangerous and people know it, while Dodson's  
Liver Tone is perfectly safe and gives better results," said a  
prominent local druggist.

### Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally  
guaranteed by every druggist who  
sells it. A large bottle costs but a  
few cents, and if it fails to give easy  
relief in every case of liver sluggish-  
ness and constipation, you have only  
to ask for your money back.

Dodson's Liver Tone is a pleasant-  
tasting, purely vegetable remedy,  
harmless to both children and adults.

Take a spoonful at night and wake  
up feeling fine; no biliousness, sick  
headache, acid stomach or constipated  
bowels. It doesn't gripe or cause in-  
convenience all the next day like vio-  
lent calomel. Take a dose of calomel  
today and tomorrow you will feel  
weak, sick and nauseated. Don't lose  
a day's work! Take Dodson's Liver  
Tone instead and feel fine, full of  
vigor and ambition.

## KAMERON KAMP KROWD

Monday morning at eight o'clock the party of young people camping for the past week broke camp. They report a most ideal week of fun and frolic. The weather was ideal and the moon at its best for such an occasion.

The original bunch was about twenty-five, but others were coming all the time. There were visitors from Waco, Rockdale, Temple and Galveston and quite a number, every day from Cameron.

They had three good cooks and plenty of good things to eat. Bathing was fine and much enjoyed and in the evening games of all kinds, hypnotism, etc., furnished fun.

Those in the party were: Mr. and Mrs. Lloyd Mitchell as chaperones, Misses Sallie Kate and Mary McLane, Ruth Coleman, Ruth Coleman and

## PORCH PARTY

Mrs. B. P. Atkinson entertained about twenty-five of her friends Tuesday afternoon at five-thirty o'clock in honor of her guest, Mrs. Hubbard of Dallas.

The shower before the appointed time made it all the more delightful.

After the first greetings were over the guests scanned the walls with wonder, for tacked thereon were pictures cut from magazines of all colors and design.

The mystery was cleared away when Mrs. Atkinson distributed paper and pencil with thirty-four numbers and it was a contest: "How Well Does It Pay to Advertise?" All the wording was cut from the pictures and the guess was made how well we remembered the picture. Not a little bit of fun was occasioned from a picture of an automobile. Each lady who had a car guessed her own car, while those of us without guessed a "Willis Knight." Just why, we do not know.

At the close of the contest, papers were corrected and it was found that Mrs. Oxsheer Smith had guessed all but two. She was presented with a glass of jelly with the "Atkinson" trade mark.

Mrs. Atkinson was then assisted most charmingly by her three little daughters, Misses Louise, Catherine and Florence, and Lillian Atkinson in serving a delicious two-course luncheon, consisting of pressed chicken, dressed eggs, peach sweet pickle, stuffed olives, pimento and butter sandwiches, orangeade and angel food cake and sherbet.

While the ladies sat on the porch and enjoying this delightful repast Mrs. Atkinson's little sons furnished music on the Edison.

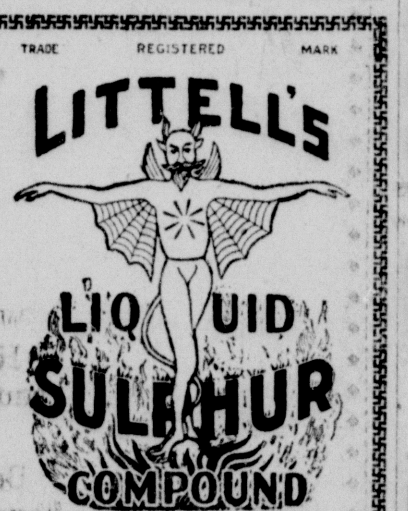

## MISS HENDERSON ENTERTAINS

About thirty pretty and prettily dressed sweet happy girls gathered Friday afternoon at four-thirty o'clock at Miss Ada Henderson's where she honored her two nieces Misses Catherine Furgerson and Agnes Henderson with a beautiful party.

The interior of the home matched well the bright faces and colored dresses of the girls, decorated with canterberry bells, sunflowers, asters and a variety of others.

A variety of games kept the girls interested and busy. The principal ones were: A living alphabet, memorizing, and fortune telling.

This last named especially interested them and on their way home could tell who received a spool of thread as

an indication that they would marry a merchant, another tooth-paste for a dentist, pill box, a doctor, yeast cake a baker and so on.

The time passed all too rapidly for the girls and the home going time was announced by the serving of a delicious salad course.

Miss Henderson was assisted by Misses Katie, Winnie and Mary Henderson.

## Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. ### WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Cameron people recommend Doan's stronger proof of merit?

Ask your neighbor.

Melvin Weems, E. 2nd St., Cameron, says: "My kidneys had bothered me more or less for a long time. It seemed whenever I took a little cold or there was a sudden change there was a sediment in the secretions and they smarted and burned in the passage. My back got lame, and the muscles all through me were lame and sore. I had taken all kinds of medicines but didn't get any help at all. I called on the doctor here for advice and he told me to take Doan's Kidney Pills. I followed his advice and got a supply of Doan's and took them as directed. I am very proud to say Doan's Kidney Pills cured me and my kidneys have been strong and in good shape since then. I very gladly endorse Doan's Kidney Pills."

## SERVICE PROGRAM OF SALVATION ARMY CREATES INTEREST

The interest with which the Salvation Army's Home Service Program has been received in the Southwest is a source of extreme gratification to Lieutenant Colonel George Wood, chief provincial officer in command of the territory which embraces Texas, Oklahoma and Louisiana.

"Already more than one hundred boards have been formed in the various counties in this division," Colonel Wood said yesterday, "and in every case the leading men of each community, have shown themselves anxious to assist the Salvation Army in its policy of rendering service of the tried and true kind, wherever service is needed and possible. It is hoped by early fall that a functioning board, will be in operation in practically every county."

With the formation of these boards all of the Salvation Army's sixteen major activities are placed at the disposal of the county. These are relief work, rescue and maternity homes, young women's boarding homes, industrial homes, working men's hotels, fresh air camps, Christmas dinners, free employment bureaus, prison work, juvenile industrial and agricultural schools and farms, boys' friend bureau, missing friends bureau, anti-suicide bureau, work among service men, field and evangelistic work and emergency department.

In accepting the national chairmanship, Franklin K. Lane, former secretary of the Interior, said, "There is no

agency for doing good of which this country is more proud than the Salvation Army. Your great service is that of putting heart into men who have weakened. This is human reconstruction. You establish self-respect. You lay the foundation for rebuilding character and self-control. You give aim to those who are purposeless and hope to those who have lost hope. This is a glorious work. There can be none nobler and to be a party to such work is an honor in which every one can share."

REV. A. J. VALLERY MAKES STATEMENT

Says Tanlac Has Overcome His Troubles and He Feels Like a New Man

"I feel that it would be helping others to tell what Tanlac has done for me," said Rev. A. J. Vallery, living at 834 Chelsa Ave., Memphis, Tenn. "About three years ago," he continued, "I had a general breakdown that made me very nervous. I had a sour stomach and would spit up undigested food. The pains in my stomach hurt so at times that I thought they would kill me. I also suffered with rheumatic pains in my joints and my kidneys were in so bad shape, my sleep was poor and I felt so tired all the time that I could not do my work. "Since taking Tanlac I have been relieved of indigestion and those pains are all gone. My kidneys don't trouble me any, I am not nervous like I was and I can sleep fine every night. My strength and energy have been restored and I feel like a new man." "Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

## OAKDALE NEWS

By Mrs. S. Hause

Oakdale, August 2.—This community is thrilled over the campmeeting which has been going on at Milano for ten days. There were two ladies who did the preaching, and they were more than fine; as good preachers as I ever heard. There were car loads from Cameron, Rockdale, Gause, Liberty, Oakdale, Hanover—well, from everywhere in reach of Milano who could get there, and they are going to have another one next year to commence at about the same time that this one started.

Mr. and Mrs. A. L. Chatman have gotten home from his father's at Ad Hall, where his grandmother had been sick several weeks. She died last week and was laid away at North Elm cemetery.

Mr. and Mrs. Clyde Hensley were at Liberty Sunday and her brother, Sam, came home with them. Will Angel, a cousin, also came with them.

Yesterday David Link and family came out to see her father, Sid Hause, to learn something about her brother, Ed Hause, who has been at Somerville at work in the Round House, and was taken suddenly sick with his back and fell. He was taken to the Santa Fe Hospital Friday, and we have not heard from him.

Hugh Wimberley started to Cameron about two o'clock this morning with a big load of watermelons. This country seems to be full of them.

Mr. and Mrs. Ed Ditto of Walkers Creek were out at Mr. and Mrs. Sid Hause's Sunday, and Mr. John Story of Marlow, and son Leonard came also, and his other son, Tom of Belmena, was with them to see if they could be pleased with land to rent here.

The Milano people think everybody ought to like here.

Mr. and Mrs. John Wilkerson was to see her mother, Mrs. Hill, at Cameron, Saturday, and as this is first Monday he went soon this morning.

Mrs. J. H. Ashenbeck and son, have returned home from Wharton and other places south. They did not stay as long as they thought they would but had a good time.

Mr. E. J. Fisher and grandson, Clyde, were in Milano Saturday morning.

Mr. Jim Rogers of near Rockdale, son Frank, his wife, and her mother, Mrs. John Springer, were at the camp meeting Sunday night.

Miss Juanita Caldwell and Miss Owen Bacon of Cameron have been guests of Miss Annie Lee Peeples at Milano, attending a house party.

Mr. and Mrs. Godfred Jennings of Kosse have been visiting in Milano at the G. D. Hooker home.

Miss Ada Bando of Newcastle, Texas, was to see her sister, Mrs. S. W. Taylor of Milano.

Mrs. A. B. Bradberry and daughter, Miss Myrtle Sims, Mr. and Mrs. Philip Houston went to Cameron last Friday afternoon to see relatives.

Mrs. J. H. Burnet of Milano is still shipping tomatoes and said he would have them for about three weeks.

Mr. and Mrs. A. R. O'Neal and children have returned home from a two weeks auto trip, and report a very fine time.

Mr. and Mrs. Bruce Stewart and children of Milano also took an auto trip through Central West Texas. They got back Tuesday on their trip. They first went to Temple, from there to Waco and Fort Worth, where they visited one of his brothers, R. J. Stewart, who joined them in their car to Breckenridge, Albany, Ballinger, San Angelo. At Ballinger they visited an

aunt and cousin, whom they had not seen in 30 years.

Mrs. Jim Baker has returned from Waco.

Mr. and Mrs. Ike Hunt spent the day with J. H. Thompson and family last week.

Mr. Edgar Hargraves and family are back at Mr. Joe McMurray's and will locate somewhere in the Prospect country.

Mrs. C. F. Rumble and daughter, Miss Olga of Austin, are guests of Mrs. J. O. Newton at Milano this past week.

Mr. and Mrs. J. O. Newton, we regret to say, will move to Rockdale to take charge of the store of Scarborough & Hicks.

Mr. J. D. Peeples, Jr., went to Brenham Monday to buy another new Ford. He keeps them on hand to sell.

Grandpa Hildebrand of Liberty has returned home from a visit to his

daughter, Mrs. Garard Ashenbeck in Dawson county.

There was a Baptist meeting started at Liberty Saturday night by Bro. Angel of Watts Switch and Bro. McClung of Waco.

# Bailey For Governor

## DEMOCRATS OF MILAM COUNTY

You are being told by the newspapers favoring the candidacy of Pat M. Neff that the "closed shop" is not an issue in the run-off campaign between Senator Bailey and Pat M. Neff. The "closed shop" advocates are supporting the candidacy of Mr. Neff. The following is part of a circular folder which is being distributed all over the black land farming section of Texas. The folder is too long to print in full here, but was printed in the Houston Chronicle of August 2nd and we quote all of it pertaining to Texas matters.

Read it, and arouse yourselves to the danger which is threatening our state and country.

## LABOR'S LEAGUE

MR. FARMER!

Join With Labor. Vote for and Work for

PAT NEFF FOR GOVERNOR

ELECTION AUGUST 28, 1920

A THREE FOR ONE

If Mr. Neff is Defeated, Join Again With Labor and Vote for T. H. McGregor, or the Republican Candidate for Governor in the General Election, November 2, 1920.

A vote against Bailey will place Texas on the Closed Shop Map of the World. It will place Texas after defeat of Baileyism on the Farm-Labor Bank Plan. It will place Texas in the field to open Co-operative Farm-Labor Business Institutes.

Proof in a nut shell that labor can and will rule if the farm-laborer will join with labor against the so-called BUSINESS MAN and THE LAND GRAB OWNERS.

Remember the Names, Neff in August, McGregor or the Republican candidate in November

We put old man Joe Bailey right where he belongs at the May primary and will bury him completely in the August primary, reports George E. Davis of Longview, Texas.

Am trying to place labor in the home of every worker, writes L. S. Hoag of San Antonio.

R. A. Campbell of Denison, Texas, reports that he has the ball rolling for labor in fine shape in his city.

Get the truth in labor and that will put men in congress who can be relied upon to do something for the laboring class, writes T. R. Bennett of Teague, Texas.

Labor is Unlumbered for its Enemies—Leaders Pleased With Results in Primaries—

Bailey Ousted in Texas in May Primaries for Fight on Gompers

Nationwide response has been made to the appeal of the American Federation of Labor for non-partisan political effort. Active campaign committees are operating in every State and congressional district. The national headquarters has announced additional committees to work, regardless of parties, against the enemies of organized labor. A few weeks ago the national committee made an appeal for funds. The response was generous. More than \$35,000 was received in two weeks and the committee was assured funds when needed.

Every reactionary will be opposed with all the strength that the league can bring against them.

### Bailey Defeated in Texas

In Nebraska, Kansas, Texas and other states, labor has tested its strength and has won many notable victories. In a number of States they have set up farm labor governments.

In Texas Labor's Opposition Brought the Defeat of Former Senator Bailey, Who Aspired to be Democratic National Committeeman

Yes, and labor will bring about the defeat of Bailey in August. If not in August, labor, with its vote, along with the votes of its Republican Union Members, will oust him in November.

### The Farm Hands Can Organize.

When the banker or the farm owner or the so-called business man states to you that the farm laborer can not form into a union, just state to him that it was stated that the following could not organize, but are today: The City Firemen, the School Teachers, the Undertakers, the Section Hands, the Negro Laborer, the Negro Dockworker, the Bank Clerks, the Negro Shoe Shiners, the Domestic Workers, the Negro Washerwomen, and just hundreds of other unskilled men and women who labor. All of these work on an EIGHT-HOUR BASIS. Now is the time to organize and defeat Bailey.

Texas Has Thousands of Negro Union Votes That will be Cast in November—Colored Delegation at American Federation of Labor Convention Gives Equal Rights.

Life was injected into the proceedings of the American Federation of Labor convention in Montreal on June 10th when the committee on organization reported out a number of resolutions relating to the negro problem. Negro delegates claimed their race was being discriminated against and denied affiliation with organizations assuming jurisdiction over their class of labor. One resolution sought to gain recognition for national organization composed of colored workers wholly. This resolution was defeated, inasmuch as the American Federation of Labor makes no distinction as to race or color.

### Unions Urged to Eliminate the Word Only White

After a heated debate between the Clerks' Union and the negro delegates, the convention finally voted that all unions affiliated with the American Federation of Labor be urged to eliminate the words in their constitutions "Only Whites" as to eliminate restrictions to membership.

So it's a shot in August and November.

Pat M. Neff Always a Consistent Friend of Organized Labor—Read What the Report of the Joint Labor Legislative Board Says

We can not conclude this report without expressing our high appreciation of the valuable services of the many friends of labor in the house and senate. The speaker of the house, HON. PAT M. NEFF, has always been a staunch friend of organized Labor, and as a member of the Twenty-Seventh Legislature rendered us valuable assistance. As speaker, labor received just recognition.

(Signed) Walton Petet, Legislative Representative Texas Federation of Labor, and other members of the board.

Letter Carriers' Hall, Dallas, July 28, 1920

Whereas, Labor's Political League is composed of union men, who are not controlled by any of the SO-CALLED, SELF-STYLED LABOR LEADERS who do not toil; and Whereas, The so self-styled leaders during the past primary supported R. E. Thomason for governor when the so self-styled leaders were aware of the fact that Thomason, as speaker of the house of representatives, did not raise his voice in behalf of labor at any time; and

Whereas, The self-styled leaders did not inform the membership that Thomason, who, with his great influence as speaker of the house, did not oppose the sending of state militia to the City of Galveston to oppose Organized Labor; and,

Whereas, The Hon. Pat M. Neff has at all times been the friend of Organized Labor as the report of the joint legislative board will prove; therefore, be it

Resolved, That this league will, as it has done in the past, support and work for the Hon. Pat M. Neff for governor from this day to the closing of the polls on August 28. Unanimously adopted.

### A Final Appeal

Labor appeals to you, Mr. Farm Hand, to join with Labor, as in other States, to defeat Bailey, to defeat the Farm Land Grab Owner, to Defeat, as other States have done, the so-called banker and business politicians; to defeat the open shop, and this will bring the eight-hour day in Texas—so join with us and vote for Neff on August 28. If Mr. Neff is defeated by Baileyism, then vote for McGregor or the Republican candidate for Governor in the General election to be held November 2, 1920.

NOTE—This league has members in practically all cities in the State, and are not led by those WHO TOIL NOT; neither are we favorable to the subsidized press of the State, who at all times have opposed Organized Labor, but we are at all times in touch with the political situation, looking to the best interest of labor, not only in the State of Texas, but all other states in the Union.

# INCREASE IS ASKED BY LIGHT COMPANY

## NEW RATE SCHEDULE WOULD AFFECT COMMERCIAL CONSUMERS ONLY

Placing the burden of the increase solely upon the commercial consumers under the assumption that they carry it more equitably, the Dallas Power and Light Company filed an application with the City Commission for a new schedule of rates which is estimated will net them an increase in revenue of 12 1/2 per cent, yesterday.

The request for the increase, which does not affect the rates for residence lighting, is based on the increased costs of labor and material since the present rates were put into effect. As an example it is cited in the request that fuel oil has increased in price 367 per cent over normal conditions prevailing in 1917. Part of the fuel oil used at present is bought for .97 1/2 a barrel under an old contract, while the great part of it costs \$3.50 a barrel, the present market price. It is also stated that materials have increased approximately 50 per cent, while the cost of labor has increased the same amount.

Taking the month of June, 1920 as a basis, the proposed rates would have increased the revenue for that month from \$174,752.91 to \$301,985.75, an increase of about 15 per cent. It is estimated, however, that the consumption of current will decrease at least 10 per cent from conservation adopted by the consumers due to the increased cost under the proposed rates, which would make the increase

in revenue to the company only \$25,406.60 for the month, or 12 1/2 per cent to the company.

## May Cost City More

As a further justification of placing the burden upon the commercial rather than the domestic users it is noted in the application that they are practically the only users of direct current and should bear the added expense of converting the current from alternating to direct current. The Dallas Railway Company is the largest single consumer affected by the increase. The city of Dallas will have to pay a slight increase for lighting, although the contract for street lighting is not affected by the general increase materially.

The stand of the company is voiced in the letter of transmittal received with the new schedule yesterday. Charles W. Davis, vice-president and general manager of the company, who signed the letter, said:

"We, in common with all other public utilities and industries, have been confronted for some time with greatly increased costs on all items of material and labor that are used in making and distributing our product and naturally, in order to properly safeguard the interests of both this company and the community we are endeavoring in every way possible to make our operations more efficient and economical and to secure wherever proper and justifiable additional revenue for our output and service in order to offset in a manner the present abnormal and unusually high costs we are operating under which shows from our records and other information available.

"It is quite apparent that a satisfactory earning power must be shown that will not only include 'authorized' return, but also cover as stipulated in the franchise under which we operate necessary 'reserves' in order to warrant the investors in purchasing our securities."
